Blythe eye templates 14mm

Designed by Mia@ResinRapture.com.

If you want to use these, **please subscribe to the blog.**

You might find this reminder annoying, but that's the one thing you can give back. All of us who produce content depend on the number of subscribers.

The templates are designed to make eyes for 14mm eye chips.

Terms of use:

You may use the templates to make eyes for your dolls.

You may use the templates for eyes you want to sell.

Please do not publish, sell or distribute the PDF or eye template images in any form.

Of course you can point people to my blog for the free eyes.

Please add the following to your item description if you want to sell eyes made with ResinRapture eye templates:

Made in collaboration with Resinrapture.com

or

Eye designs by Mia/Resinrapture.com

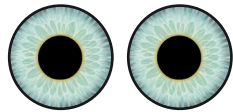

Thank you!

I hope you like the templates and enjoy my designs. Feedback on the templates and your subscription is very much appreciated.

All the best

*Mia
